There is a change to our October production.

We have had to cancel plans to present the Patrick Hamilton play **'Rope'** – perhaps there will be an opportunity to do this play in the future.

In its place, Martin Stevens will be directing **'Home'**, the award-winning play by David Storey which had successful runs in London and on Broadway and was adapted for television in the *Play for Today* series.

There are some performances to live up to because the original cast was John Gielgud, Ralph Richardson, Dandy Nichols, Mona Washbourne and Warren Clarke. They played the residents of a 'home'.

What kind of a home? What kind of residents? Find out more by coming to the reading which is on **Monday, 31st July** with the casting meeting on the following **Friday, 4th August**, both at 7:30pm.

Performance dates are **Wednesday 25th to Saturday 28th October**.
